Providing that extra **Something Special**

Middlesbrough Town Hall's stunning design combines gothic beauty with modern interiors, providing that extra something special for you and your guests.

Each of our rooms can be adapted to support the creation of your own bespoke design, with choices for lighting and sound to add extra atmosphere to your day.

Catering and drinks packages are available, with various options to match your budget.

Our team will work with you to make your dreams a reality!

The Courtroom

The Courtroom, which originally witnessed court proceedings for Middlesbrough, can seat up to 110 guests. The room can be left in its simple and elegant state or decorated to match the theme of your day.

We also offer pre and post ceremony drinks reception packages for you and your guests on our Mezzanine bar area or within our Old Police Cells.

Our iconic Main Hall

Our Main Hall was built to hold classical music concerts, and now provides an iconic setting for up to 350 guests.

The room has unique heritage features, including a 19th century organ which can be lit in colours to complement your theme, gothic-style beams and stunning chandeliers.

The Crypt

With a capacity of up to 250 attendees, The Crypt is full of character and charm, boasting cast iron girders, beautifully exposed stone work and stunning arched windows.

The Crypt can be customised with décor to suit your wedding theme, with a number of lighting packages to create the perfect atmosphere.

The Fire Station & Courtyard

The Fire Station can seat up to 80 guests and provides a beautiful setting for intimate wedding receptions. The room can be fully dressed to match your theme, or left undressed for a simple design with lots of natural light.

The Courtyard is a versatile space that can be built into your hire package, perfect for couples wanting an outdoor space that can accommodate external catering vans and play areas to keep younger wedding guests entertained.

Your Wedding Your Way

For larger weddings and pre-wedding events, the Town Hall can accommodate up to 600 guests for dining across two spaces, or 350 in the Main Hall.

We have a reception area to welcome your guests and plenty of space for evening entertainment.

You are welcome to use your own catering suppliers, who can utilise our in-house kitchen facilities, or we have a number of recommended suppliers for you to choose from.
